Removed and Replaced

Removed AstroCore as an ally as the company went defunct, instead we put Zoezo there and in the credits. #184

Replaced the old mail button (the one to directly go to your email client) and replaced it with the Contact Form. The manual option link will be in the Contact Form from now on. #184

Bug Fixes

Fixed a bug where the back-to-top button was behind the cookie menu. #184

Fixed missing GitHub workflows. #184
